

REMARKS

The claims have been amended to remove the "first" and "second" language which overcomes the objections set forth in paragraph 4 of the office action and also overcomes most of the issues relative to the objection set forth in paragraph 5. Further, pursuant to the objection set forth in paragraph 5, the "selection" language as been clarified.

In view of these remarks, the application should now be in condition for allowance.

Respectfully submitted,

Date: April 23, 2007
